Message from  
**Hon'ble Chancellor**

Leading Shri Davara University is a wonderful honour and a source of great pleasure for me. The higher education landscape has seen substantial changes in terms of methodology, global needs, and issues throughout the post-pandemic period. In order to bring about a change in the sphere of higher education, Shri Davara University tries to adopt policies that are properly reflected in the National Education Policy 2020. We are aligning Shri Davara University's progress towards interdisciplinary studies.

With the goal of developing core competencies in students by integrating information with skills on the basis of ethics and values, our main focus is on building an optimal and lively platform for excellence in knowledge enhancement and bridging the gap between academia and industry.

Knowledge is power, and Shri Davara University has been on the path of providing quality education through fostering the development of young human resources with moral and ethical principles while enhancing their leadership abilities. The core of the university is its research culture and creative teaching methods that provide a learning environment focused on the needs of the students.

Our curriculum, which is incredibly modern and has been benchmarked against the academic offerings of other reputable institutions, is the outcome of fantastic think tanks that include numerous faculty members, industry professionals, and research organizations.

I would want to end by quoting Guru Rabindranath Tagore, who said, "The finest education is that which makes our life in harmony with all existence, rather than only giving us facts." The students at Shri Davara University can look forward to a fresh academic life filled with love, happiness and creative knowledge.

Wish you all great success!

**Mrs. Preeti Davara**  
Chancellor

Message from  
**Hon'ble Founder of M.R.E.S.**

It gives me great pleasure to greet you on behalf of Shri Davara University. As the Founder of MRES, I am honored to share with you a message that encapsulates the essence of our university and the vision we have for your academic path.

At Shri Davara University, we strive for excellence in all aspects of education. Our university stands as a shining example of scholarship, creativity, and societal influence. We are dedicated to cultivating intellectual curiosity, developing critical thinking, and preparing our students to be leaders in their respective fields. Our first aim is to foster personal and intellectual growth while respecting the ideals of integrity, diversity, and inclusivity.

We believe that education is not just about acquiring knowledge, but about shaping character and fostering a lifelong love of learning. Our faculty members are not only experts in their disciplines but also passionate educators who are committed to mentoring and guiding our students. They bring a wealth of knowledge and experience to the classroom, creating an environment that encourages exploration, innovation, and the pursuit of excellence.

At Shri Davara University, we also place a strong emphasis on community and collaboration. We believe that learning is a collective endeavor and that our students benefit from engaging with diverse perspectives and ideas. Our campus is a vibrant and inclusive community where students from all backgrounds can come together to share their experiences, learn from one another, and grow both personally and academically.

As we look to the future, we are excited about the possibilities that lie ahead. We are continually investing in our facilities, expanding our programs, and forging new partnerships to ensure that our students have access to the best resources and opportunities. We are proud of our rich history and the achievements of our alumni, and we are committed to building on this legacy of excellence.

Thank you for considering Shri Davara University as the place to pursue your academic and personal goals. We look forward to welcoming you to our community and supporting you on your journey to success.

**Mr. Prakash Davara**  
Founder of MRES

Message from  
**Director General**

Dear Prospective Students, Parents, and Partners,

Welcome to Shri Davara University, a place where dreams take flight and potential is unlocked. As the Director General of this esteemed institution, I am honored to introduce you to a university that stands at the forefront of academic excellence, innovation, and holistic development.

At Shri Davara University, we believe that education is more than just the acquisition of knowledge; it is the cultivation of character, creativity, and critical thinking. Our mission is to nurture well-rounded individuals who are not only equipped with the skills and knowledge to excel in their chosen fields but are also inspired to make meaningful contributions to society.

Our distinguished faculty comprises leading experts and passionate educators dedicated to mentoring and guiding our students. Through a dynamic curriculum, cutting-edge research, and a vibrant campus life, we provide an environment that fosters intellectual curiosity, cultural diversity, and personal growth.

We understand the importance of staying ahead in a rapidly changing world. Hence, our state-of-the-art facilities, innovative programs, and strong industry partnerships ensure that our students receive a relevant and future-focused education. We are committed to providing opportunities for hands-on learning, internships, and global experiences that prepare our graduates to be leaders and innovators.

At Shri Davara University, we are proud of our inclusive and supportive community. We celebrate diversity and promote a culture of respect and collaboration. Our goal is to create a nurturing environment where every student feels valued and empowered to pursue their passions.

As you embark on this exciting journey of higher education, I invite you to explore all that Shri Davara University has to offer. Whether you are looking to advance your career, change paths, or ignite your passion, you will find a home here with us. Together, we can achieve greatness and shape a better future.

Thank you for considering Shri Davara University. We look forward to welcoming you to our university family and supporting you in achieving your aspirations.

**Dr. Charmi Davara**  
Director General

Message from  
**Founder Director**

I extend a heartfelt welcome to all of the students who hope to join this University's intellectual brotherhood and begin a path shaped by outstanding teaching, motivating professors, international learning trends, and ingrained human values.

The students at Shri Davara University receive a top-notch education, the best practical training, and preparation for both domestic and international career option. Our carefully thought-out curriculum guarantees the total growth of students and gives them the discipline, teamwork spirit, and leadership skills they need. For their overall development, we provide the students with plenty of possibilities to engage in co-curricular and extra-curricular activities. The participation and organisation of seminars and workshops that develop the students' leadership skills is encouraged.

We concentrate on every student in order to help them reach their maximum potential and equip them with a winning attitude.

The University continues to work towards achieving its mission with the aim of developing high calibre thinkers, morally upright, and physically fit citizens inspired with a proactive approach to take on challenges facing the current society and prove to be successful individuals in the ever-changing knowledge society. The main goal is to work for the general improvement of humanity.

I fully believe in your limitless potential, and I wish you luck for all your future endeavours. Your fervent involvement in the activities of this educational institution will help you develop your talent while also exposing you to a cutting edge and competitive environment during your time at the university!

Message from  
**Chief Executive Officer**

Dear Prospective Students and Esteemed Parents,

Welcome to Shri Davara University, a beacon of knowledge, innovation, and academic excellence. As the CEO of this distinguished institution, I am honored to introduce you to a university that stands at the forefront of education, dedicated to shaping the leaders of tomorrow. At Shri Davara University, our mission is to provide an exceptional educational experience that not only imparts knowledge but also fosters critical thinking, creativity, and a passion for lifelong learning. We are committed to nurturing a diverse and inclusive community where students from all backgrounds can thrive and reach their full potential.

Our state-of-the-art campus is equipped with cutting-edge facilities, including advanced laboratories, modern libraries, and innovative learning spaces designed to inspire and support your academic journey. We pride ourselves on our esteemed faculty, who are not only experts in their fields but also dedicated mentors committed to guiding you through your educational pursuits. We offer a wide range of programs and courses tailored to meet the evolving demands of the global job market. Whether your interests lie in the sciences, arts, business, technology, or humanities, you will find a curriculum designed to challenge you intellectually and prepare you for a successful career.

Beyond academics, Shri Davara University provides a vibrant campus life with numerous extracurricular activities, clubs, and organizations that allow you to explore your interests, develop leadership skills, and build lasting friendships. Our commitment to student success extends beyond graduation, with robust career services and alumni networks to support you as you embark on your professional journey.

We understand that choosing the right university is a significant decision, and we are here to support you every step of the way. We invite you to visit our campus, meet our faculty and students, and experience firsthand the dynamic and supportive environment that makes Shri Davara University unique.

Thank you for considering Shri Davara University as the place to further your education. We look forward to welcoming you to our academic family and partnering with you on this exciting journey of growth and discovery.

**Mr. Chinmoy Davara**  
Chief Executive Officer

Message from  
**Honorary Director**

On behalf of Shri Davara University, it is my honour to welcome you to a distinguished institution renowned as a beacon of knowledge and innovation. Our University fosters a unique environment where tradition and modernity converge. Each meticulously designed course transcends the boundaries of mere education, aiming to cultivate our students into future global leaders. We believe in nurturing well-rounded individuals by fostering a balance between academic excellence and holistic development.

**Our Core Principles:**

- **Prioritizing Physical and Mental Well being:** We champion regular medical checkups to promote a healthy lifestyle for our students.
- **Harnessing the Power of Technology:** We embrace cutting-edge technology to enhance the learning experience.
- **Expert Guidance:** Our exceptional faculty provides unparalleled academic mentorship and industry insights.
- **Instilling Discipline:** We cultivate a culture of discipline, fostering a strong foundation for future success.
- **Nurturing Moral Values:** Ethical conduct and strong moral character are woven into the fabric of our educational philosophy.
- **Empowering Employability:** Our comprehensive approach equips graduates with the skills and knowledge necessary to secure rewarding employment opportunities.
- **Fostering Open Communication:** We actively encourage open and collaborative interactions between parents, faculty, and students.
- **Sports :** At Shri Davara University, we believe that sports are an essential part of a well-rounded education. Our state-of-the-art sports facilities and experienced coaches provide students with opportunities to excel in their chosen sport.

Best wishes for a bright future!

**“We can open the door, but you must enter it yourself!”**

**Mr. Tulsidas Sanghani**  
Honorary Director

Message from  
**Vice-Chancellor**

I am honored to welcome you to Shri Davara University, an institute of higher learnings focused on innovative, and value-based education. Education is meant to inculcate right values among students to produce socially sensitive citizens. Thus, education encourages not only curricular activities but also co-curricular, extra-curricular, and extension activities.

Shri Davara University is committed to offering students exposure and expertise- enabling them to discover their niche. The University is dedicated to creating a diverse and welcoming environment where everyone is recognized and valued. I am confident that Shri Davara University will produce excellent scientists, technocrats, visionary leaders, competent researchers and teachers, in the field of science, engineering, humanities, management and social science, who will not only elevate fame of the University, but also make the nation proud.

On behalf of the University, I assure you that we will help you pursue your objectives in life and give you a strong foundation in leadership, skill development and Indian culture and tradition. It will be our objective to bring the best in you as a professional and also as a human being so that you are able to work in diverse cultures and economic environments.

As Vice Chancellor, it is my pleasure to welcome you to our academic community. May your time here be filled with learning, laughter, and limitless possibilities.

**Prof. (Dr.) R. V. Shukla**  
Vice-Chancellor

Message from  
**Registrar**

Dear Prospective Students and Esteemed Guardians,

Welcome to Shri Davara University, a premier institution dedicated to nurturing excellence, innovation, and global leadership. As you peruse this prospectus, I am delighted to share with you the exciting future plans we have in store for our university community.

At Shri Davara University, we believe in a forward-thinking approach to education, ensuring that our students are not only well-prepared for the challenges of today but are also equipped to lead and thrive in the future.

We are committed to broadening our academic horizons by introducing cutting-edge programs in emerging fields such as artificial intelligence, renewable energy, biotechnology, and digital humanities. These new offerings will provide our students with diverse and contemporary pathways to success.

To support our academic and research endeavors, we are investing significantly in state-of-the-art infrastructure. Upcoming projects include the construction of advanced research laboratories, a modern library equipped with the latest digital resources, and new, eco-friendly student housing facilities.

Our vision extends beyond national borders. We are forging strategic partnerships with renowned universities and institutions worldwide to facilitate student and faculty exchange programs, collaborative research projects, and global internships. These collaborations will provide our students with unparalleled international exposure and opportunities.

As we embark on these exciting initiatives, our commitment to providing a transformative educational experience remains unwavering. At Shri Davara University, we strive to foster a community where innovation, integrity, and excellence thrive.

We invite you to join us on this remarkable journey and become a part of a vibrant community that is shaping the future. Together, we can achieve greatness.

**Mr. Kumar Shwetabh**  
Registrar

Message from  
**Chief Controller of Examination**

Dear Students,

I am delighted to welcome each and every one of you as the Chief Controller of Examinations (CCE) at Shri Davara University (DU). My role involves overseeing and managing the entire examination process to ensure fair and transparent assessments for all students. Our mission has always been to provide not just world class education, aided by the best of faculty, but an environment that fosters holistic development with emphasis on character building. The examination is one of the ways to assess the student's learning. The prime responsibility of Examination Cell is conduction of all examinations in a fair and systematic manner. We also determined to develop an examination system where the emphasis should be on inculcating skills rather than testing the memories of students.

Examinations are a crucial component of your academic journey. They serve as a benchmark to gauge your knowledge, competencies, and understanding of the subjects you are studying at DU, we prioritize maintaining high academic standards and upholding a robust examination framework to ensure its integrity.

Rest assured, we are committed to providing a conducive and well-organized environment for you to take your exams. Our dedicated team works tirelessly to ensure the smooth conduct of examinations, strictly adhering to established schedules and protocols. We strive to create a calm and focused atmosphere that allows you to showcase your true capabilities.

I encourage you to approach the examination process with a positive attitude. View exams as an opportunity for self-assessment and growth. They are not just about achieving a specific grade; they also serve as a way to solidify your knowledge and refine essential skills that will be invaluable in your future endeavors.

The Examinations Department, under my direction, is here to support you every step of the way. Should you have any questions or concerns regarding examinations, please do not hesitate to reach out to our team. We are readily available to address your inquiries and provide any necessary assistance.

I wish you all the very best for your upcoming examinations. May you perform to the best of your abilities and achieve the academic success you aspire to.

**Dr. Varun Ganjir**  
Chief Controller of Examination

## OUR VISION

To become a leading academic institution with a reputation for excellence in teaching, learning, research, internationalisation, entrepreneurship, and leadership that has a positive impact on business and society.

## OUR MISSION

- To transform education via academic rigor, practical focus approach and outcome-based instruction.
- To establish and foster a partnership between business and academia.
- To spearhead influential research addressing regional, international, and local issues.
- To impart the analytical and leadership abilities.
- To foster the growth of global professionals and entrepreneurs who are committed, imaginative, and eager to improve society.

## OUR CORE VALUES

Six core values that are always at the heart of Shri Davara University's mission, and co-curricular programs that ground and manifest the University's identity and commitment to knowledge for both personal enhancement and social progress.

## **RESPECT**

“Respect inspires us to appreciate various viewpoints and to recognise the gifts and distinctive contributions of each member of the University community”

## **EXCELLENCE**

“Excellence forces us to push ourselves and make the most of the abilities that God has given us, including our moral, intellectual, social and physical abilities.”

The dedication to excellence at SHRI DAVARA UNIVERSITY drives the University to continually pursue achievements that are exemplary rather than merely satisfactory. Many facet of University life such as academics, sports, student services, campus environment, publications, special events and academic deliveries are shaped by this relentless pursuit of greatness. This principle also motivates the University community to honour the noteworthy accomplishments and contributions made to the well-being of others.

## **COMPASSION**

“Compassion leads us to stand with and embrace others in their suffering so that we can all experience God's liberating and healing presence”

This value captures the reality that calls for sensitivity, empathy and care in addition to dedication, courage and action. In times of personal difficulty or bereavement, members of the SHRI DAVARA UNIVERSITY community support one another and demonstrate compassion through a variety of action that address the needs of people both inside and outside the University.

## SERVICE

“Service requires us to use our strengths, talents, and abilities to promote the true well - being of our community and those we come into contact with”

Service to students and service by students, staff, and faculty are fundamental tenets of life at SHRI DAVARA UNIVERSITY. Through campus clinics, off - campus internships, service trips, and a variety of volunteer opportunities, each of these groups contributes their individual skills and professional expertise to help others.

## HOSPITALITY

“Hospitality inspires us to approach our everyday tasks with a cordial spirit that embraces new ideas and individuals of different origins and beliefs”

At SHRI DAVARA UNIVERSITY, being gracious means creating room for an unexpected visitor, an unexpected thought, a new perspective, even a troubling query or a difficult opportunity. Even if accepting another person's opinions may not lead to agreement, doing so calls for careful listening and the willingness to change one's own opinion.

## INTEGRITY

“Integrity encourages us to view our work and ourselves holistically and as one unified with others throughout the world, enabling us to see the larger good in our actions and projects”

Integrity involves consistency between words and deeds, whether it be personal or institutional. Every member of the SHRI DAVARA UNIVERSITY community is urged to live by the University's self-described mission as an academic institution.

**Shri Davara University is all set to unlock  
a new wave of education for excellence and  
transformation in India's tomorrow.**

# Inspiring Reason to Choose **DU**

Shri Davara University prides itself with all the necessary approvals for its students and the faculty providing an exciting, colourful campus life for everyone. Students from various states are represented in the student intake. Shri Davara University offers multiple undergraduate programs, covering multidisciplinary areas of study. We aim to provide students with a broad - based education across different disciplines with a global perspective, in order to develop students' intellectual and personal strengths.

We extract the best out of our students, through excellence in learning and teaching, thus seeking to develop graduates of international distinction. Students have the chance to learn under the expert guidance of our faculty.

With our programs, students can develop their skills and knowledge relevant to present-day needs. They develop problem-solving skills and the ability to innovate; skills that are invaluable for further study, employment and to be a global citizen.

- Affordable Tuition Fees
- 85 Acre serene pathogen free clean and eco friendly campus

- Well equipped laboratories
- Well qualified faculties
- Central Library & E-Library
- Strong Placement cell
- Digital Classroom
- Separate Residential Hostel & mess for Boys & Girls
- Auditorium hall
- Gym
- NCC & NSS

# Infrastructure

We believe the emergence of new technology gives us an unmatched chance to improve the education environment for our students. A key component of our fundamental approach is the development of supporting infrastructure. In order to ensure that there are no barriers between the discovery, transmission, and application of knowledge, infrastructure at DU is thoughtfully created in response to student and faculty needs.

Our campus features some of the best infrastructure in the nation ensuring that students have access to everything they need for a fulfilling University experience.

Students have access to the most up-to-date computing and research resources, and the classrooms are designed to optimise light and space. We work hard to build and provide supporting infrastructure everywhere, whether it be cutting-edge labs, fully equipped workshops or a small hotel on campus to assist the hotel management degree. Outside of the classroom, safe dorms and contemporary dining halls guarantee comfort in campus habitation while first-rate sports and recreation facilities offer students the chance to discover and maximise their potential.

# Library

The library at Shri Davara University serves as the institution's main source of accumulated knowledge and is a storehouse of printed and digital resource for faculty, staff, and students to use in their daily work in addition to textbooks. The library has growing collection of encyclopedia dictionaries, E-Journals, magazines, and other reference literature. The library also provides access to a variety of E-books and E-Journals, J-Gate, IEEE, and British council library E-consortiums. For enhancing communications abilities, there are more than 50 audio visual inspirational E-books available. The main goal of library is to aid in the academic development of our students. The library's extensive collection in the area of management studies, science and technologies comprises books, journals, magazines, project reports, question bank, newspaper back files, and other materials. The library offers a distinct section for reference books like dictionaries, encyclopedia and bibliographies as well as CD-ROMs, magazines, journals and audio-visual cassettes.

For students and scholars, the library serves as a "gateway" to variety of print and digital resources. The library is enriched with the collection of antique and out-of-print books on a variety of topics, for students to use in test preparation. To aid them in their studies, the students have access to books for the full semester. The knowledge that staff and students gain from the books in the library is put to use in a variety of ways, such as continuing their own scholarly Investigation giving presentation, publishing their work etc.

# Auditorium and Seminar Hall

For holistic development of the students, the co-curricular and extra activities are the integral part of the teaching pedagogy of the University. There are 2 air-conditioned auditoriums of different seating capacity and many air-conditioned seminar halls with all modern amenities for organizing various student centric skill and personality development programmes as well as the cultural and other academic events.

These well-furnished and modern audio visual aids equipped Seminar Halls can accommodate around 300 students each, to organize Workshops, Seminars and Faculty Development Programs.

## Facilities :

- Colored light arrangement in hall
- Colored light arrangement on the stage
- Complete Mic arrangement
- Fully air conditioned
- Screens
- Provision of separate green room
- Video players
- Availability of emergency services

# IT Infrastructure

## Physical IT Infrastructure

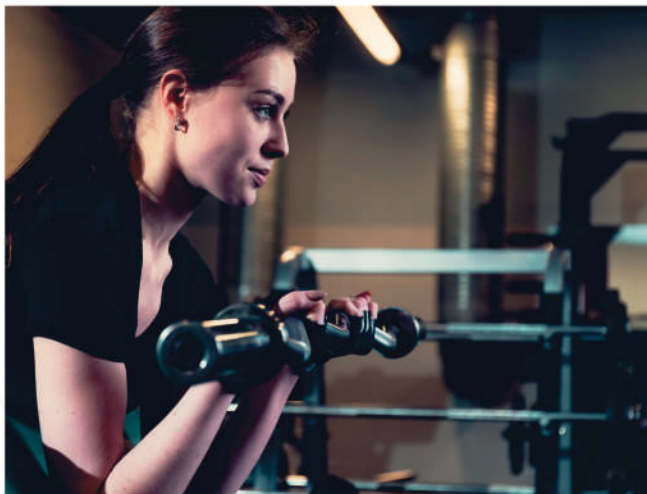

- Computer Labs
- Media Labs
- Resource Center
- Wi-Fi- Network

## Virtual IT Infrastructure

- Virtual Classes
- Virtual Labs

The University provides facilities for the students to participate in sports and games at University, District, State and National levels competition. The University also organizes various sports and games in campus. Outdoor and indoor games facilities available in the campus are extensively used by the students during and after the University hours. Facilities for the outdoor games such as Basketball, Cricket, Hockey, Volleyball, Badminton and Kabaddi, etc. are available. The indoor game facilities for students include Weight Lifting, Table Tennis, Carrom, Chess.

## Dedicated Research Laboratories

The University boasts well-equipped laboratories staffed by qualified support personnel and overseen by experienced, committed faculty members who are seasoned researchers. Dedicated research laboratories cater to the needs of research scholars, while separate facilities are provided for undergraduate and postgraduate students.

Research laboratories are furnished with state-of-the-art advanced instrumentation. Separate labs are built to cover a wide range of academic disciplines such as:

- Biotechnology
- Chemistry
- Psychology
- Zoology
- Physics
- Life Science
- Microbiology
- Botany

The University's state-of-the-art laboratories, when used optimally, serve as invaluable training grounds for students. By engaging in hands-on experimentation and research, students develop a strong foundation of practical skills. This practical experience equips them with the requisite competencies demanded by today's competitive job market, enhancing their employability upon graduation.

The Department of Computer Science & Information Technology (CS & IT) is a dynamic academic unit within the University, fostering education and research in the exciting fields of computing and information technology. Our mission is to provide students with a strong foundation in theoretical and practical CS & IT concepts, preparing them for successful careers in a rapidly evolving technological landscape.

We offer a range of undergraduate and postgraduate programs, along with cutting-edge research opportunities, to equip students with the knowledge and skills to become:

- Skilled software developers
- Capable network administrators
- Astute cyber security professionals
- Innovative researchers

The department boasts a team of dedicated faculty members who are experts in their respective fields. We are committed to providing a stimulating learning environment with well-equipped labs and access to the latest technologies.

The Department of Hotel Management is a dynamic academic unit dedicated to preparing the next generation of hospitality leaders. Our program provides students with a comprehensive curriculum that blends theory and practice, equipping them with the skills and knowledge necessary to thrive in this exciting and ever-evolving industry.

We offer a range of undergraduate and postgraduate programs in hotel management, covering areas like food and beverage operations, lodging operations, event management, and hospitality marketing. Our faculty members are industry experts who bring their real-world experience into the classroom, ensuring that students graduate with a strong understanding of the current trends and challenges facing the hospitality sector.

In addition to our academic course work, we offer a variety of practical learning opportunities, including internships, industry projects, and guest speaker sessions. These experiences allow students to apply their knowledge in a real-world setting and develop the essential soft skills needed for success in hospitality, such as communication, teamwork, and problem-solving.
